

# PUDSEY BEAR's Display Year 2007

I'm raising money for Children in Need this year. How? By going flying in as many aircraft as possible. I'll be flying with air display pilots, as well as commercial airlines—all in the cockpit! I've flown with RAF Spitfires, Hurricanes, Lancasters, The Blades, Denny Dobson, Mustangs, P40 Kittyhawk, Yak52... to name but a few!

I'm keeping a flying log book which will be filled in by the pilots, a photo album of my exploits, and a diary too! All these things are available to look at on the internet from the link below so you can see what I'm up to!

The great news is you all have a chance to win me and all my stuff (log book, photo album and diary) by raffle! **You'll see me on the BBC's Children in Need event night in November—and the raffle will be drawn in December!**

So, you'll need to buy a ticket! How? See Nigel or Debs at any of the air shows they're at this year (<http://yakdisplay.com>) or buy my raffle tickets on-line at the address below!

Win me, my flying log book, photo album and diary!  
£1 Raffle tickets available. 100% goes to Children in Need
